

# Questioning death

## Fear of death

- Are you afraid of death?
- Is fear of death rational?
- Is death to be regretted (even if we have no reason to fear it)?
- Is immortality really desirable?

## The unnaturalness of death

- Is death natural
- Are there any senses in which we could say that death is unnatural?
- Is death an evil?
- Is there such a thing as a "good death"
- Is someone's death always a tragedy

## The meaning of death

- Is life meaningless if there is no life after death?
- Would the death of the whole human race be a tragedy
- Are the dead harmed if we damage their reputation after they die?
- Do your religious or philosophical beliefs help you in facing death?
- Is my own death unimaginable?

## Denial of death

- Do you think that we live in a society that denies death?
- How do you think that denial of death manifests itself?
- What would a healthier attitude towards death look like?

## Choosing death

- Is it better to have no life at all than a poor quality of life?
- Is voluntary euthanasia sometimes a rational course of action?
- Is voluntary euthanasia sometimes morally acceptable?
